**An equitable, two-generation approach will help Michigan’s kids keep moving forward.**

A child’s well-being should not be determined by their race, place or income, but data shows that this is the reality. That’s why our racial equity lens considers how policy decisions help or hinder outcomes. We also consider access to opportunity for the adults in kids’ lives when working to improve well-being.

<sup>^</sup>Rate per 1000    <sup>i</sup>Rate per 10,000    ♦Rate per 100,000
